

**It is with profound sadness and regret that we announce the passing away of Professor Jean Marie Naeyaert, Chair of the Dpt of Dermatology, on July 26 in the Ghent University Hospital. His death at such an early age is a shock to us all. We hope he takes a lot of fond memories with him, and it is a relief to know that those can never be taken from him.**

**Tribute can be paid and condolences to his family can be offered at the following addresses:**
